

## **Stanlok Corporation Warranty and Limitations for Products and Services**

### **Definitions**

Seller is defined as Stanlok Corporation.

Buyer is defined as any person or entity purchasing goods or services from Seller.

This statement of Warranty and Limitations from Stanlok Corporation supersedes any terms and conditions submitted with, or attached to, Buyer purchase orders.

### **Warranty**

Seller warrants that all goods manufactured or distributed by Seller will be free from defects in materials and manufacturing for a period not to exceed twelve months. This Warranty does not include the misuse, negligence, faulty installation, accident, or modification of Seller products by the Buyer, or by any third party, on behalf of the Buyer. If Seller agrees to a concern of nonconformity of the supplied goods, Seller will have the exclusive decision to repair, rework, or replace the supplied goods. This remedy shall be the sole remedy for any breach of Warranty.

### **Warranty Limitations**

The liability of the Seller shall be limited to the amount of the individual purchase order. In no event shall the liability of the Seller extend beyond replacement, repair, or the issuance of credit for the purchase price of the goods, from the original purchase order. Seller shall not have any liability for loss of time, cost of labor expended, or for any separate, special, direct, indirect, consequential, or incidental damage. No claim by Buyer for goods delivered, or for non-delivery, shall be greater than the purchase price of the goods, from the original purchase order.
